## ABOUT US

# Alliance Foods

Alliance Foods is an Egyptian export company specializing in the sourcing and supply of high quality food products from Egypt to international markets. Our portfolio spans fresh fruits and vegetables, frozen produce, freeze-dried fruits and vegetables, and fruit concentrates.

Our name reflects our philosophy: strong alliances create stronger supply chains. By building close partnerships with trusted growers, processors and suppliers across Egypt, we provide international buyers with reliable access to premium products, competitive pricing and dependable export logistics.

Alliance Foods operates under **Wardany Holding**, an Egyptian business group whose network strengthens our alliances across the food industry — enabling us to deliver consistent quality and reliable supply to global markets.

### OUR MISSION

Connect international buyers with premium Egyptian food products by building strong alliances with trusted producers and delivering reliable, efficient export solutions.

### OUR VISION

To become a globally trusted Egyptian food export company — known for long-term alliances that connect international markets with the best of Egypt's agricultural production.

## WHAT GUIDES US

# Our Values

### **PARTNERSHIP**

Strong alliances create stronger supply chains. Collaboration with producers and buyers is at the heart of our business.

### **TRUST**

Long-term relationships are built on transparency, reliability and consistent performance.

### **QUALITY**

Through alliances with trusted producers, we ensure every product meets international standards.

### **COMMITMENT**

We are dedicated to supporting our partners and delivering dependable solutions to global markets.

### **WHY EGYPT**

Strategic location, fertile Nile soil, year-round harvests and preferential trade access to EU, COMESA, GAFTA and Mercosur markets — Egypt is a premier source for fresh and processed food products.
